S.S. "HAKUBASAN MARU"

Dear Sir,

We enclose herewith the First Entry Report for this vessel duly completed.

It should be noted that although bulkhead fr. 80 was constructed as a water tight bulkhead, three caoling doors were arranged therein which can be closed by means of bolted plates. In view of this arrangement the bulkhead in question has not been recognized as water tight in the compilation of this report.

Your faithfully

G. G. Young
For the Surveyors.
