Dear Sir,

"ARROWHEAD"

With reference to our letter of the 15th December last, will you kindly note that as all our other vessels, - one cargo, one cargo/passenger and two passenger are inspected annually by the Ministry of Transport Surveyors in connection with P.C. and Load Line Surveys, we propose to take this vessel out of Class and arrange future surveys by the same M.O.T. surveyors, who are so frequently in the Island.

Her next Load Line survey is due early next month, and we have already notified your Southampton Office that we shall be requiring their services, but we shall be glad if you will take this letter as cancelling our request, and no doubt you will inform them accordingly.

Yours faithfully,

ISLAND SHIPPING CO. LTD
