Dear Sir,

Plymouth Report No.8725
" STRANTON "

In reply to your letter of the 22nd instant, I have to advise you that the certificate for the Main Air Compressor(Hamworthy 23360-1) Southampton D.13847 was forwarded with the First Entry Report.

From records in this office and per London and District Surveyors letter dated 3.11.59., the Broom and Wade Air Compressor fitted in the case of the above vessel was not inspected during construction. For your records however, the Serial No. of this Compressor is 301,3158.

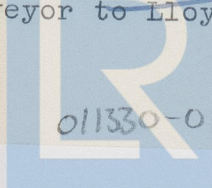

Yours faithfully,

Surveyor to Lloyd's Register.
