SECTION

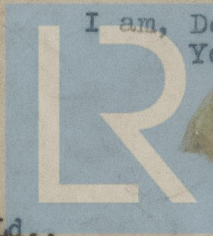

No. 704

Dear Sirs,

With reference to the classification in the Society's Register Book of the steamer "WINDSOLITE", I beg to acquaint you that the Committee have had the case of this vessel before them today, together with a letter from the Society's Surveyor at Toronto, who states he is informed you intend to allow the steamer's class to lapse, and that you do not wish to have the Boiler Survey held.

In all the circumstances the Committee have given instructions for the vessel's class to be omitted from the reprint of the next edition of the Society's Register Book.

I am, Dear Sirs,
Yours faithfully
