The Secretary  
LONDON

Dear Sir,

S. S. "INVERRUBA"  
S. S. "INVERLAGO"

In reply to your letters dated November 14 and December 18 regarding the status of the above-mentioned vessels, I have to advise that the Trinidad Surveyor states that both are still laid up with little likelihood of employment.

He states that the Owner was seeking employment for the "INVERLAGO", but short term contracts were available, and these did not justify placing the vessel in service. The Surveyor also states that the Owner is seeking scrap prices for the "INVERRUBA".

I will advise you further if there is any change.

Yours faithfully,

for  
Secretary to the  
American Committee
