Dear Sir,

Steamer "INVERRUBA"

Reverting to your letter of the 27th July, I have to acquaint you that the Owners' Managing Director called at this office recently to discuss the future of this ship.

The Owners desire a further postponement of the completion of the overdue Special Survey for twelve months and I send, for your information, a copy of a cablegram and letter which have been sent to the Trinidad Surveyor setting forth the conditions under which this request has been granted.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Secretary,
NEW YORK.
