Dear Sir,

Steamer "INVERRUBA"

I enclose the Deferred Reports for this ship and would draw attention to Curacao report No. 5723 and the subsequent Trinidad report No. 1698 from which you will observe that considerable repairs are considered necessary by the Trinidad Surveyor in spaces which were already accepted for Special Survey by Mr. Holness following his survey at Curacao.

I shall be glad if you will take the matter up with Mr. Holness and let me have his comments as soon as possible.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

J. Wormald, Esq.,  
CARDIFF.
