

"I N V E R R U B A"

SUBMITTED Mr. Holness, through Mr. Wormald, be furnished with Curacao Rpt.No.5723 and subsequent Trinidad Rpt.No.1698, from which it will be observed that considerable repairs are considered necessary by Trinidad, in spaces already accepted for Special Survey by Curacao, and to furnish comments as soon as possible.

The attached list would appear to be the position of the Special Survey taking into account both reports.
