COPY OF AIR LETTER

71 Fenchurch Street,  
London, E.C.3.

25th November, 1949.

H.

Dear Sirs,

I have to acquaint you that full classification of the Steamer "VERGRAY" has been withheld pending the internal examination of No.1 double bottom tank. The Owners have now informed this Office that the tank in question was inspected by Mr. Munro on the 12th instant and it is concluded that his report is now in the post.

In the event of this having been sent by Sea Mail I shall be glad if you will forward a duplicate by Air Mail in order that the case may receive the consideration of the Committee as soon as possible.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

YOKOHAMA.
