The Second Special Survey No.2, which became
due on this vessel in November, 1936 was commenced at
Newcastle-on-Tyne in November/December of that year
by Messrs. The Tyndale Steam Shipping Co., Ltd., to
whom she then belonged.

Early in 1937 the vessel was stated to have
been sold to Messrs. S.A. Belge d' Entreprises Commerciales,
of Antwerp, but this was subsequently denied, and from
confidential information received from Lloyd's it appears
that the vessel has since been engaged in trade with
Spain under various names.

No authoritative information can be obtained
as to her real ownership, and as she has not come under
survey since November 1936 and the year of grace allow
for the completion of the Second Special Survey No.2
expired at the end of last month, the Classing Commit
who had the case before them on Tuesday, the 7th instan
decided to give instructions for her class to be expunged
from the Register Book with a Red line (12.37), indicating
non-compliance with the Society's Rules.
