

18th December, 1959.

Enclosure

Dear Mr. Anderson,

Reverting to our correspondence earlier this month about the "PACIFIC BUILDER", I have now received an official communication from the London Agents that classification has been transferred to the Bureau Veritas, and I forward, for your information, a copy of letter which has been addressed to them on the subject today.

With kindest regards,  
Yours sincerely,

J. A. Anderson, Esq.  
HONG KONG.
