nements
agreed

The ship has been laid up at Rotterdam since June 1958.
On 31st July, 1958 the Committee agreed to the outstanding
surveys remaining in abeyance while the ship remained
laid up, provided they be held before recommissioning.

proposal

To carry out the Main Boiler Survey at Rotterdam before
proceeding on a voyage from a Continental port or Poland
to an East Mediterranean or Black Sea port, but to defer
the Special Survey and drydocking until completion of
this voyage. No mention is made of the Screwshaft Survey
of this Liberty type ship.
