Dear Sir,

M.S. "SANTA CECILIA"

CHANGE OF OWNERSHIP AND CONTINUATION OF CLASS

In compliance with a request from the Rio de Janeiro office, I wish to inform you, that I am advised by Messrs. Transportes Maritimos 1001 Ltda. that this ship has been sold to:-

Messrs. Cia. Atlantico Sul
c/o Motomaq Importação e Comércio de Motores e Máquinas
Ave. Rio Branco 200, São Paulo.

We have contacted on different occasions several directors of this company and have been verbally informed that the ship is being converted to a fishing craft and that we will be advised by letter regarding the new owners' intentions with reference to class.

After a number of enquiries we have no further information and no correspondence from either party. It is my opinion that the new owners have no intention of retaining class.

The ship at present is layed up at Santos, in an indifferent berth, where she would appear to be taking the bottom each tide and generally neglected.

Yours faithfully,

C.A. Davies
