And...

Dear Sir,

I beg to inform you that the steamer "AGERØEN" of Kristiansand has been sold to Messrs. Franco Maresca. Genoa and the new owners propose to convert this ship to a dry cargo ship and carry out the Special Survey in Italy.

The old owners state this ship will sail as an Italian ship under her present name to an Italian port in ballast and have requested me to issue a certificate for the proposed voyage and I therefore cabled you last night as follows:-

"My report Agerøen 3976 ship sold Italy Stop May I issue certificate for voyage to Italy in ballast without further survey and should a small fee be charged".

A fee has already been charged for the survey held.

I am, Dear Sir

Yours faithfully,

S. A. Ride
