I beg to acknowledge the receipt of your urgent cable received yesterday during my absence at Stavanger and Haugesund as follows:-

"AGERØEN reurletter concluded Special Survey being held now. Permanent repairs required corrugated bottom plating this Special Survey Stop. C one port side forward to specially examine and deal with as necessary same time."

I will be guided accordingly.

I leave for Stavanger tonight for survey of the bottom tomorrow and no doubt I will meet Mr. Metaxas who was at Kristiansand yesterday.

I presume the Special Survey will be attended to by Mr. Metaxas and that this survey will be attended to at some foreign port, as the old owner has sold the ship without attending to the Special Survey.

I am, Dear Sir.

Yours faithfully

S. A. Eide
