REPORT

Bgn.

No. 3976

The remarks of the Chief Engineer Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

~~DAMAGE &~~ WEAR AND TEAR.

re of Survey

SRI

Docking. Main injection valve chest lower suction now renewed. It is stated that the vessel is now laid up at Kristiansand for sale and that no arrangements have yet been made for the survey of the machinery and boilers.

It is submitted the vessel is eligible to remain as classed, with record of survey ~~as recommended~~ without special condition.
