Dear Sir,

## "SAN FLORO"

With reference to London letter dated 16th April last, Ref ship approving plans of modifications to the above ship from open to closed shelter decker with a corresponding increase in draught to 4,115 Metres we have to state that all the alterations are now in hand and a special survey is also being carried out at the same time at the Owners request.

The vessel is expected to complete on approx. 22nd of this month and we shall be pleased if a new freeboard assignment together with new Load Line Certificates could be forwarded. The new Gross tonnage together with dates of Issue and Expiry will be inserted at this port before issue.

A C11 (Contd) report will be forwarded on completion of the survey.

Yours faithfully,

The Secretary,  
LONDON

*W. S. Dimpie*

For the Surveyors.
