QUESTION

ANSWER

With reference to your report . 9078, I shall be glad to learn at arrangements are proposed to be made for the machinery condition of class to be dealt with as commended.

Date:— 20th June, 1961.

As advised in our letter of the 7th April, 1961 addressed to the Secretary, the vessel has been sold to the Societe Maritime Vate of Vila and was to be renamed "Colorado Del Mar." We understand that the purchaser was aware of the condition of class, see Brisbane Report No.9154, and the vessel has now been classed with Bureau Veritas.

Yours faithfully,

The Surveyors,
