Refer "Postponed Surveys" memo of 16.9.65.

SUBMITTED at the expiration of the possible further postponement of the Special Survey until the end of February next it is concluded the ship will be placed in dry dock and all outstanding subjects of class dealt with together with any unrecorded damage revealed at this drydocking which affects classification, all this to satisfy the Sales contract as indicated in the Owners' Telex of the 10th September, 1965. At the conclusion of this survey, and to avoid any misunderstanding, it is considered a Rpt.8 should be drawn up covering the survey and an appropriate Cert.B. issued to the Owners who should be advised that for continuance of class the Special Survey would need to be carried out before the ship leaves port.
