Dear Sirs,

## CLASSING LETTER

"CINDERELLA". Reverting to your letter of the 1st and my reply of the 10th April, the Report of the General Examination held at Rotterdam has now received the consideration of the Committee. In view of the satisfactory nature of this Report, postponement of the Special Survey until January, 1966, has been approved, and I shall be glad if you will inform the Owners accordingly.

Class has been continued subject to fractured shell plates Nos. 1 and 2 in third below sheer (port side) and No. 2 in third below sheer (starboard side) in way of AP. tank being specially examined and dealt with as necessary by the Special Survey and to the screwshaft cone being specially examined at the next Special Survey or by the end of January, 1966.

Yours faithfully,

pro Clerk to the  
Classification Committee
