Dear Sirs,

M.S. "CINDERELLA"

I acknowledge the receipt of your letter of the 19th instant, and have today informed the Committee of your remarks. As a result, I am pleased to be able to inform you, in reply, that in the circumstances the Committee will be agreeable to the Screwshaft Survey being deferred until some time before the end of October, 1964, as desired by you.

I would add, however, that as this survey will fall due in January, 1964, the postponement until October is longer than the period normally contemplated by the Committee; so they trust that you will fulfil the present arrangement without fail.

Yours faithfully,

Clerk to the
Classification Committee
