# Lloyd's Register of Shipping.

26 MAR 1949

Port

PORT SAID

18th March, 1949

This is to Certify that I have

Surveyed the Steel Sc. Steamer "CLEVELAND" 10667 tons gross

register of London whilst lying afloat at Port Said for possible

damage due to vessel "Grounding" whilst transiting the Suez

Canal on the 17th March 1949,

and that I have transmitted to the Committee of Lloyd's

Register of Shipping, London, a Report, stating that all repairs

recommended by me have been completed to my satisfaction, and

that I have Recommended that she be continued as at present

classed in the Register Book, without fresh record of survey, subject

to vessel's underwater structure being specially examined for possible

damage due to "Grounding" on the next occasion of dry docking,

being fit to carry Petroleum in bulk.

*F. L. Graham*

Acting Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
