Dear Sir,

M.s. "ALCANTARA"

With reference to your letter of the 22nd instant, the contents of which were duly communicated to the Owners, who now inform us that owing to the Vessel's present commitments, they cannot stop her for carrying out the overdue Special Survey and they have therefore decided to renounce to her class with our Society.

In the meantime, they have applied for the reinstatement of her Class for September next when they will carry out concurrently the Registro Italiano Special Survey.

Yours faithfully,

The Secretary,
LONDON
