Dear Sir,

Ans'd.....

M.t. "ALCANTARA"

Reverting to our memorandum of the 27th ultimo, we have been informed by the Owners that owing to the chartering commitments of the Vessel it is impracticable to carry out now the Special Survey, due in April last and for which 12 months' postponement has previously been approved, and they have made a special request that a further extension of Class be granted until the end of August next when they will decide whether to carry out the Special Survey or alternatively to sell the Vessel for breaking up purposes.

It is understood that the Registro Italiano, with which Society the Vessel is also classed, have already adhered to the Owners' request in consideration of the fact that the record assigned by the Registro Italiano for the last Special Survey is 9,54 and the year of grace will expire in September, 1959.

We have drawn the attention of the Owners that it is not the practice of this Society to grant extensions beyond the date of the expiration of the 12 months' prorogue and we fear that the Committee will have no option but to cancel the Class of the Vessel.

The Owners, though they are apparently prepared to lose the Class, insist to submit to your consideration their request. We shall be glad to be in a position to reply to the Owners.

Yours faithfully,

The Secretary,
LONDON
