NEW YORK

May 6, 1938.

The Surveyors,
PHILADELPHIA.

Dear Sirs:

Referring to your letter of the 4th ultimo addressed to the Secretary, regarding the non-payment of an item of \$316. due from the Foster Wheeler Corporation for the survey of the boilers of the Motorship "RHODE ISLAND" (your First Entry Report No. 7418), I may say that as I have received no intimation from you that this has been paid, I have today been in touch with the cashier of the Foster Wheeler Corporation, who informs me that he is unable to locate the account in his files.

I shall be obliged if you will kindly arrange for a new account to be rendered immediately to their New York Office, marked for the attention of Mr. C. Geer, who will deal with it promptly.

Yours very truly,

JOC:HM
