10th May, 1951.

One

is

CAPE TOWN.

4273. As recommended.

"MASHONA" 4260. As recommended, except that it is contrary to the Committee's practice in cases of vessels classed BS to assign a notation in respect of the carriage of cargo oil unless a special request has been received from the Owner, and in these circumstances, the notation recommended by you has not been assigned.
