Dear Sirs,

## CLASSING LETTER

13516 "SAPELE". The contents of your Report have been noted and this ship will be eligible to be classed +A1 "River Niger Service" together with the appropriate notations when a Report has been received of its satisfactory condition on arrival in the service area.

I shall be glad if you will forward particulars of the approved equipment as this information is not shown on the approved Plans, and you should also furnish the weight and drop test of each anchor head.

I have to inform you that a Report C.11 should be furnished for each ship, as this is now required by the Committee, whether or not freeboards are assigned.

Yours faithfully,

pro Clerk to the  
Classification Committee

The Surveyors,  
HAMBURG.
