Dear Sirs,

S.S. "OAK HILL"

In reply to your letter of the 23rd September, I am pleased to inform you that provided special attention be given to the conditions of class at the General Examination in drydock at Syra, Piraeus, or Port Said, the Committee will then be prepared to consider the postponement of the Special Survey until some time before the end of October, 1965.

There will be no objection to the Annual Loadline Survey being deferred for a short time provided it is held not later than the 21st January, 1965.

Yours faithfully,

ce Pir, P.S.d. Jhd
