QUESTION

ANSWER

As it would appear from the records in this Office that this ship has not been examined in drydock by the Society's Surveyors since July, 1956, I shall be glad to learn what arrangements are proposed to be made for such an inspection to take place.

Date:— 8th November, 1957.

Owners now state their intention to place vessel on gridiron at Whitehaven at beginning of next month, and to carry out Load Line and Boiler Survey.

I take this opportunity to point out that the Boiler Survey will become due at the end of December.
