MEMORANDUM FOR THE SECRETARY

Handwritten signature

Some time ago, I received a letter from the Secretary of the Admiralty, dated 10th July 1932, in which he informed me that the Admiralty had decided to purchase a certain number of ships, and that he had asked me to prepare a report on the subject. I have now completed this report, and I am sending it to you for your consideration. I have also enclosed a copy of the report for the Secretary of the Admiralty, and a copy for the Secretary of the Navy. I am sure that you will find the report of interest, and I am sure that you will be able to make a decision on the subject.

Yours faithfully,
The Secretary
