Dear Sir,

Motorvessels "HEINRICH HEINE"  
and "STUBBENKAMMER".

We enclose herewith a translation of a letter today received from Messrs. Deutsche Schiffsrevision und -Klassifikation at Zeuthen (Eastern Zone of Germany), which we think you will find self-explanatory.

We might add, however, that in our repeated telephone discussions with the Owners, we were ultimately referred to the DSRK as being their technical supervisors. Our impression is that the Owners did not wish to commit themselves in defining the precise relationship between them and the DSRK, but we gather that both the Owners and the classification society are government controlled.

Yours faithfully,  
The Surveyors.

The Secretary,  
LONDON.
