Classn. (H).

Dear Sir,

I revert to my letter of the 20th February about the "W.D. TEAL".

The Owners state this morning that they have decided to put in a new diesel installation in the ship and, in the circumstances, have decided to remove her from class.

Our Ipswich Surveyors have been advised of the withdrawal of class as the Davey Paxman Engine for the ship would have come under their supervision.

Yours faithfully,

Secretary to the  
Liverpool Committee.

The Secretary,

LONDON.
