Messrs. Westminster Dredging Co. Ltd.,  
BROMBOROUGH.

Dear Sirs,

US  
Steam Tugs "W. D. DUCK" & "W. D. FEAL."

With further reference to our conversation with you a few days ago, we would be glad to know when we can carry out the necessary surveys on the above two ships.

The dates of the several surveys are as given to you in our letter of the 29th December, 1948, when we discussed the matter with your superintendent, Mr. Cameron, and he promised at that time to let us know when we could carry out the surveys.

As the matter is now urgent, we would be glad to hear from you at your early convenience.

Yours faithfully,  
For the Surveyors,

*Alex. D. Kennedy*
