Dear Sirs,

S.S. "KYMO"

In reply to your letter of the 16th February I am pleased to inform you that the Committee are agreeable to a General Examination of the Hull and Machinery being held shortly with a view to the postponement of the Special Survey until some time before the end of March 1966.

I note that the Main Boiler Survey will be held shortly and shall be glad to learn at what port this matter will receive attention, in order that the Society's Surveyors may be advised.

Yours faithfully,

pro Clerk to the  
Classification Committee.
