Dear Sirs,

S.S. "KYMO".

We apologise for the delay in answering your letter of 18th January regarding this ship, owing to absence from London of the writer.

The ship was in Rio de Janeiro from 1st to 19th January and has been in Necochea (Argentina) since 29th January. The chief engineer is under instructions to carry out this boiler survey in those ports but we have not yet heard what he has done in the matter.

The owners present intention is to carry out general examination for postponement of special survey on completion of present voyage. We shall advise you of the port and date of this examination as soon as possible.

Yours faithfully,
S. G. EMBIRICOS LIMITED

A. Woodward
SUPERINTENDENT ENGINEER.
