Dear Sirs,

S.S. "KYMO"

With reference to the classification in this Society's Register Book, I would remind you that the Boiler Survey became due at the end of October last and shall be glad to learn what arrangements are proposed to be made for this inspection to be carried out.

I take this opportunity to point out that the Special Survey will become due at the end of March and your intentions regarding this inspection will also be appreciated.

In accordance with the Society's new Rules the Steampipe Survey should be carried out in conjunction with the Special Survey.

Yours faithfully,

Clerk to the  
Classification Committee.
