Dear Sir,

"BRANKSOME".

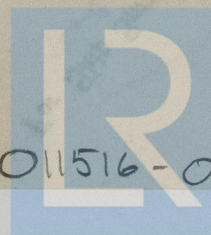

With reference to your classing letter of the 12th instant, we have to inform you that the ship forging reports in this case were forwarded on the 8th instant, together with a supplementary list of plans, for attachment to our First Entry Report which had been despatched earlier.

The rudder mainpiece at top pintle should have been reported as  $7\frac{1}{8}$ " x 4" and not 7" x 4", and we shall be obliged if you will rectify this clerical error by amending our F.E. Report and ship forging report accordingly.

Yours faithfully,  
THE SURVEYORS,  
PER:

The Secretary,  
LONDON.
