Lloyd's Register of Shipping,

12th March, 1951.

Dear Sirs,

m.s. "SAND RUNNER"

sn (S)

JB

In reply to the survey notice addressed to the Owners respecting the Special Survey which will become due next month, the following letter dated 9th instant has been received:-

"We are in receipt of your letter of the 6th March in regard to the above. This vessel was in Penarth during the months, September, October, November 1950, being converted to a sand sucker and your surveyor was in attendance. As the hull was scaled throughout including holds and peaks we trust you will see your way to include this as part of the special survey"

I shall, therefore, be glad if you will furnish particulars of any item of the survey in question that could be credited towards the Special Survey, so that I may be in a position to reply to the Owners.

Yours faithfully,

Assistant
Clerk to the Classification
Committee.

The Surveyors,
CARDIFF.
