Telex No.: 24305

1st November, 1965.

Dear Sirs,

C.  
DHGK/DEE

## CLASSING LETTER

12956 "WIINKINKI". As recommended. You should state the wear-down of the stern-bush at the time of the Screwshaft Survey.

12987 "IWTA SIBLAKHYA". The contents of this report have been noted. This vessel is eligible to be classed +A.1 "River and Estuary Service" when a report has been received of its satisfactory condition on arrival in the service area.

You should confirm that the steel has been manufactured at works recognised by the Committee and tested in accordance with the Rules as this information has been omitted from your report.

You should furnish certificates shown on Page 4 of your report as these do not appear to have been received in this Office. The length of the Bridge should also be furnished as this has been omitted from the report.

12986 "IWTA GUMPI". The contents of this report have been noted. This vessel is eligible to be classed +A.1 "River and Estuary Service" when a report has been received of its satisfactory condition on arrival in the service area.
