Class n. (S)

Dear Sir,

Yokohama Shipyard Hull No.823
"ALTHEA"

We would revert to your letters of the 15th and 22nd April last and ours of the 17th April regarding the Classification Certificates issued and subsequently cancelled in respect of the above ship.

The Builders now inform us that it is intended to sell the ship and bids are now being received. They desire to receive confirmation that when requested fresh Certificates will be issued without conditions regarding docking, opening of machinery etc. following the long period which has elapsed since completion.

We shall be pleased to receive the desired confirmation in due course.

We are,

Yours faithfully,

pro the Surveyors

The Secretary,
LONDON

If an up-to-date commissioning date is required, it is submitted as a rock the tanker is free from casualty and otherwise in good conditions.

7/7/59

Machinery has been examined, including internal examination of scum tank, having noted this. Surveyor can satisfy himself that all has been properly maintained.

The Surveyor to use his discretion regarding knowledge of the water condition at the layup berth. Sub 7/7/59
