Dear Sir,

s.t. "Althea"  
-----

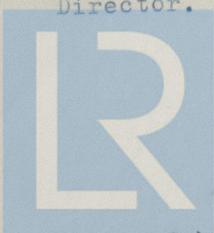

We confirm telephone conversation with Mr. Cooke this morning with reference to your letter of 29th October, 1958, on the subject of the deferring of the issue of this vessel's Certificates.

It now appears that the Builders have received original Certificates issued and dated by you in London 27th February, 1959, which they are holding pending further instructions.

As arranged with you, we have now asked them to return these Certificates to you so that they can be cancelled until such time as we are able to advise you that this vessel is going to be put into commission.

Yours faithfully,  
Andreadis (U.K.) Limited.  
(As Agents)

(John K. Clarkson)  
Director.
