10th March, 1954.

Dear Sirs,

Classn.(H)

s.s. "VIOLANDO"

I shall be obliged if you will kindly let me know what arrangements you propose making to carry out the Boiler Survey which became due at the end of December last.

I take this opportunity to remind you that the Society's Rules require classed ships to be examined in drydock at intervals of approximately one year, and as, according to the records in this Office, the last time this vessel was so examined was February, 1953, I shall be glad to learn within what time it is anticipated a further drydocking will take place.

Yours faithfully,

Clerk to the  
Classification Committee.
