Port Balboa, Canal Zone

14 December, 1963.

Boa. Rpt. #5008.

**This is to Certify** *that I have surveyed part of the machinery of the S. S. "LEONIDAS" of Monrovia, Liberia, Gross tons 13406*

*xxx* while afloat at Las Minas Bay, R. de P., and later at Cristobal, C. Z., on the 12th December, 1963, and upon subsequent dates, in order to examine and report upon damage to the propeller, alleged to have been sustained on the 9th December, 1963, as a result of the propeller striking a submerged object while on a voyage from Puerto Miranda, Venezuela, to Las Minas Bay, R. de P.

*and that all my recommendations have been carried out to my satisfaction. I am reporting accordingly and recommending to the Committee of Lloyd's Register of Shipping that the machinery classification should be retained and the following survey records assigned without fresh record of survey, subject to the ship's propeller being renewed before the end of May, 1964 (6 mos. limit).*

Parts now examined:—

Acting
