Dear Sir,

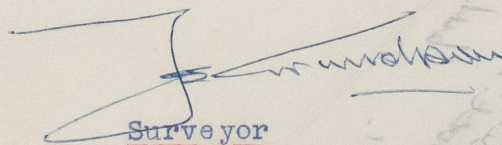

"J. PAUL GETTY"

I am in receipt of your letter of the 22nd instant and telegram in connection with first entry reports on the above named ship and I regret the omissions and errors which have now been corrected except for Builders signature unobtainable due to the Yard being closed until Monday. Duplicate copies of the Reports have been prepared for Builders' signature.

The new 4a report is now in hand and I regret that I am unable to complete without delay.

I enclose herewith approved plan of superheater for checking and record purposes and I shall be glad of the Committee's approval for the remaining approved plans to be retained for Sister Ship Yard No. 231.

Yours faithfully,

  
Surveyor
