

4th November, 1949.

Dear Sirs,

Aux. Motorship "TIO PEPE".

With reference to your letter of the 7th September last, I would inform you that I am now in receipt of Cadiz Report No. 1991, which appears to complete the Special Survey of the machinery, and the electrical installation, and I shall therefore be obliged if you will forward your First Entry Reports on the machinery and electrical parts, in order that the case may be submitted to the Committee for the assignment of class.

With reference to your letter of the 30th September last, I think it well to inform you that so far as the hull is concerned, it is proposed to recommend to the Committee assignment of a class of 100A- Cargo battens not fitted, with date of build Launched 1946, Commissioned 1949 -4Mo, which of course will mean that Special Surveys will be dated from April 1949, the last date of survey on your Report No. 10534 being given as 20th April, 1949.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
BILBAO.
