

Enclosure.

26th February, 1949.

Dear Mr.Scott,

With reference to the Auxiliary Motorship "~~TIO PEPE~~" No.77603 in the Register Book which was given as being under survey for completion of classification in Bilbao in January 1948, I shall be glad to learn the position in regard to this vessel as we are now preparing the Register Book for re-print.

If it is possible to forward the reports this will, of course, be appreciated.

While writing I think it well to enclose a copy of a communication which has today been addressed to Mr.Larrucea regarding his First Entry report on the Motorship "EXPLORADOR IRADIER".

Yours faithfully,

Clerk to the  
Classification Committee.

A.E.Scott, Esq.,  
BILBAO.
