RECEIVED

8 JUN 1948

Dear Sir,

Tug "SWAROZYC" Special Case.

With further reference to our letter to you of the 7th April in connexion with the above vessel, we herewith enclose copies of our Rpt.10 together with a letter intended for the Amsterdamsche Droogdok-Maatschappij N.V. and shall be obliged if you will forward the letter in question together with one copy of our Rpt.10 if you agree with the action we have taken in the matter.

The special features of the case are that we are acting as the builders representatives as well as for the Society.

New parts are needed from Amsterdam before the survey can be completed and our Rpt.10 must be considered as a preliminary Report only and Reports 8 and 9 together with particulars of the fees chargeable will be forthcoming upon completion of the Survey.

Kindly note we shall be pleased if you will urge the despatch of our letter and copy of Rpt.10 to the Shipbuilders in order that replace engine parts may be forthcoming as soon as possible.

We are, Dear Sir,

Yours faithfully,
