"LAURENTIDE PARK"

Dear Sirs,

I am in receipt of your letter of the 22nd instant, and in accordance with your request I enclose a form received from the British Corporation giving details of outstanding items of survey. You will note that Boiler Survey becomes due at the end of the present month, and the Annual Load Line Survey and Annual Survey for Classification at the end of next month.

I have to add that according to a Return of Vessels under survey at Philadelphia dated the 25th February last, this vessel was when being surveyed for damage (hull). I have arranged that particulars of any outstanding items resulting from this survey shall be forwarded to you direct from 14 Blythswood Square, should they have received the report of this survey.

Yours faithfully,

The Surveyors,
