Dear Sirs,

Steamer "PANTANASSA"

I am obliged to you for your memorandum of the 22nd February and note that the Owners state the vessel will be drydocking in Germany about the middle of this month.

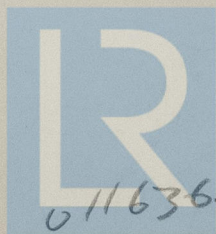

There is no information in this office that the vessel has yet started her voyage to Northern Europe, and the Owners must appreciate that should she not be due in Emden or Kiel by the 15th instant they should ensure that the Committee are fully advised as to the position.

As the year of grace expired last June, this is now a question of considerable urgency.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
PIRAEUS.
