29th June, 1961.

Dear Sirs,

Steamer "PANTANASSA" ex "GANUK PORT"

I am obliged to you for your letter of the 26th instant and have today informed the Committee of the Owners proposals for completion of the overdue Special Survey.

It is obvious that the ship cannot be drydocked until she has discharged her present cargo from Russia, but the Owners should be informed that the ^{Special} survey must definitely be completed after the termination of the present voyage, and in any case not later than the end of September next if further maintenance of class is desired.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
PIRAEUS.
